

As regular students

Entrance examinations at the CNSMDL are open to students of all nationalities.

How to apply ?

Foreign students can enroll in a complete curriculum at the CNSMD de Lyon.

*Procedures and fees are **the same** for French students, European students and non-European students.*

If you are interested, you are required to proceed as described in the [admission procedure](#). All the information you need regarding admissions is under the heading **joining us** in the menu title **students**.

In accordance with our application rules, no derogation may be granted.

How is the life of CNSMD foreign students?

You can find all the information you may need under the headings **academic matters** and **practical matters** in the menu title **students**.
