

Recent awards and prizes

Our students never cease to distinguish themselves at international or domestic events. The CNSMD of Lyon as a whole is very proud to keep track of its students' achievements.

You can find the list of our students' recent awards and prizes [here](#) (in French).

Important remark:

As a student or ex-student of the CNSMD of Lyon, please do not forget to tell us about your laureate activities by sending us an email at communication@cnsmd-lyon.fr so that we can transmit the news on the dedicated page.
